OFFICE OF PETITIONS

PETITION FOR CORRECTED FILING DATE UNDER 37 C.F.R. § 1.10(c)

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

A corrected filing date is hereby requested under 37 C.F.R. § 1.10(c) in view of the incorrect filing date which apparently was recorded by the Patent and Trademark Office, as evidenced by the Filing Receipt and Notice to File Missing Parts of Application received in the case, both of which indicate March 2, 2000 as the filing date of the application. The correct filing date is March 17, 2000, as is set forth herein below. Pursuant to 37 C.F.R. § 1.10(c), (1)

the instant Petition has been filed promptly following indication that the filing date accorded in the case was incorrect, (2) the number of the "Express Mail" mailing label was placed on the front page of the patent application-as-filed (copy attached as **Exhibit A**), as well as the transmittal letter filed with the application (copy attached as **Exhibit B**), which itemized each of the papers comprising the application, and (3) a true copy of the "Express Mail" mailing label showing the "date-in" of March 17, 2000 has been attached herewith as **Exhibit C**.

Pursuant to items (2) and (3) above, copies of the front page of the patent application and the transmittal letter filing the instant application have been attached herewith as **Exhibit A** and **Exhibit B**. Both the transmittal letter and the front page of the patent application are marked with the Express Mail number under which the application was filed, EM167083591US, as well as the March 17, 2000 filing date. The transmittal letter itemizes the materials comprising the application.

As further evidence of the March 17, 2000 filing date of the above-captioned application, Applicants have provided herewith a true copy of the "Express Mail" mailing label showing the "date-in" of March 17, 2000 (**Exhibit C**). The copy of the mailing label was received via facsimile from the United States Postal Service on August 8, 2000, as an original was not available to Applicants as of the filing date of this paper.

In light of the foregoing, Applicants respectfully request that the filing date of the instant application be corrected to March 17, 2000. No fees are believed to be due in connection with the instant paper. However, should any fee under 37 C.F.R. §§ 1.16 to 1.21 be deemed necessary for any reason relating to this document, the Assistant Commissioner is hereby authorized to deduct said fee from Fulbright & Jaworski, L.L.P. Deposit Account No. 50-12128/10008241/REH.

Please date stamp and return the enclosed postcard evidencing receipt of these materials.

Respectfully submitted,

Robert E. Hanson

BOX PATENT APPLICATION

Assistant Commissioner for Patents
Washington, DC 20231

RE: *U.S. Patent Application Entitled: PLANT CHROMOSOME COMPOSITIONS AND METHODS – Daphne Preuss, Gregory Copenhaver and Kevin Keith*

Sir:

Transmitted herewith for filing is a 204-page patent specification including 231 claims and an abstract. Included with the specification is a 40 page sequence listing comprising SEQ ID NOS:1-179. Also included with the specification is a 1142 page appendix giving the sequences identified in the specification by SEQ ID NOS:180-212. Further included are FIGS. 1-23D on 65 sheets. The specification, drawings, sequence listing and appendix constitute the application of Daphne Preuss, Gregory Copenhaver and Kevin Keith for the captioned invention.

Please note that this application is filed without an inventors' Declaration and Assignment, a Declaration Claiming Small Entity Status, a Power of Attorney, and filing fees. Pursuant to 37 C.F.R. § 1.53(b) and (f), the Applicants request the Patent and Trademark Office to accept this application and accord a serial number and filing date as of the date this application is deposited with the U.S. Postal Service for Express Mail. Further, the Applicant requests that the NOTICE OF MISSING PARTS-FILING DATE GRANTED pursuant to 37 C.F.R. § 1.53(f) be sent to the undersigned Applicant's representative.
